Community & Corporate Partnership Packages:

- Seats of Hope – A Legacy of Comfort and Compassion

At the Christi Doerflinger Memorial Hospital, healing begins with rest, and rest begins with hope. The Seats of Hope program invites individuals, families, and community partners to create lasting spaces of peace and reflection across our campus. Each bench serves as a place of comfort for patients, families, and caregivers, honoring the strength and resilience that defines every journey of recovery. Through your tax-deductible gift, you can dedicate a bench in honor or memory of a loved one, leaving a legacy of compassion and faith in motion. Together, these benches form more than places to sit, they become symbol of healing, hope, and community woven into the heart of our hospital.

- The Garden of Hope

The Garden of Hope stands as a living tribute to all who believe in healing, faith, and the power of community. Every name engraved upon its wall represents a seed of compassion, a reminder that even the smallest act of generosity can blossom into something extraordinary. This tranquil garden will serve as a place of reflection and renewal for patients, families, and caregivers alike, offering beauty, peace, and inspiration to all who enter. Through your tax-deductible gift, you can help this garden grow and ensure your legacy becomes part of a place where hope takes root, healing begins, and lives are restored.
